*Attention Prospective Students:*

*Congratulations on your decision to become a licensed amateur radio operator. What other hobby gives you the opportunity to?*

*Make new friends locally AND AROUND THE WORLD!*

*Communicate with other ham radio operators using amateur satellites,  
Ensure dependable communications with your family during emergencies.*

*Use your radio skills for public-service during emergencies and provide communications support for area community events.*

*Use an ECHOLINK smartphone app to link to amateur repeaters all over the world.*

*Connect your computer to your ham radio equipment and operate the latest "digital" modes!*

*In the Technician Class License Course, we will cover everything you need to know to get your technician ham radio license. Hang on...it is going to be a fun adventure.*

*Greg Haschel - Marshall County Amateur Radio Club*
