

Marshall COUNTY Weekly ARES NET

Updated: 2/3/2023

This is _____. The Marshall County ARES net will begin in ten minutes please stand by.

Attention all amateurs, this is _____ opening the Marshall County ARES net. This net meets every Thursday evening @ 730pm local time on the K9ZLQ 146.67 repeater with a pl tone of 131.8.

This is a directed net. All communications will go through the net control station. Net control station is _____. My name is _____. I am in _____, Indiana. The alternate net control is _____, their name is _____, and they are in _____, Indiana.

BREAK

ARES® is amateur radio emergency service and is a field organization of the ARRL.

The purpose of this net is to:

Provide communications during emergencies

Provide training in all aspects of net operations

Serve as a forum for discussions, and

To foster fellowship among radio amateurs

This net meets to conduct ARES activities in and around Marshall County, and the transfer of NTS traffic.

All radio amateurs are invited to participate in this net.

BREAK

Do we have any stations with emergency or priority traffic for the net? Please come now!

[handle this traffic now]

Do we have stations with announcements, routine traffic, or net business for the net? Please come now!

[handle this traffic now]

Stations will be called using a roll call. I will now start the roll call.

Only Call out the Call Sign. Wait a few seconds in between.
